

same battles that have made Bob Rubin's reputation.

Larry Summers, as Deputy Treasury Secretary, has earned Bob Rubin's confidence as his envoy to key countries in critical negotiations in the global financial crisis and in many other important jobs. He inherits a healthy economy, sound federal finances, and a strong team at the Treasury Department. But if the past few years are any guide, Mr. President, he will not lack for challenges.

I noticed that he thanked his teachers today in accepting the new opportunity President Clinton has offered him. Surely he had no more valuable teacher than Bob Rubin. That should give us all confidence that the Treasury Department remains in good hands.●

HONORING GLORIA "PAT" HUTH

● Mr. ABRAHAM. Mr. President, I rise today to honor Mrs. Gloria "Pat" Huth upon her retirement which will be celebrated on May 18, 1999.

Gloria "Pat" Huth was born on St. Patrick's Day to Mary and Martin Halasz. Mr. and Mrs. Halasz immigrated to the United States from Hungary.

Pat Huth graduated from Bad Axe High School, and earned her Bachelor of Arts degree from Michigan State University. In 1962, she married her husband, Robert, Sr. She began teaching with the Van Dyke school system, taking time off from full-time teaching to raise her sons, Robert, Jr. and Jeff. Mrs. Huth always believed in the value of education and stressed that point to her students and her sons; her sons obtained Juris Doctor and Doctor of Medicine degrees, respectively.

After her boys began attending elementary school, Pat Huth returned to full-time teaching. In 1971, she began teaching at Neil E. Reid school in the L'Anse Creuse School District. In 1974, she was among eight teachers that left Neil E. Reid with their principal, Joseph Carkenord to open the new elementary school, Tenniswood, in Clinton Township, Michigan. Along the way, Pat obtained her Masters of Education Degree from Eastern Michigan University.

In 1979, she received an Educational Specialist Degree (EDS) from Oakland University. She was always continuing to attend school so that she could stay on top of trends and issues to help her students.

Mrs. Huth taught second grade for the L'Anse Creuse schools for 29 years and was a full-time teacher in Michigan for 33 years. Additionally, 8 years were spent as a substitute teacher for different school districts in Macomb County.

Among Pat's interests are serving in the Philanthropic Educational Organization (PEO). She has been a member of St. Louis Parish since 1973. Now Pat Huth considers among her hobbies enjoying three (and soon to be four)

grandchildren and stressing the value of education for all those that are fortunate enough to have contact with her.

I want to express my congratulations to Pat Huth upon her retirement. Most importantly, I would like to thank her for her years of commitment to the education of children. Pat, you truly are an example for others to follow.

Mr. President, I yield the floor.●

A SALUTE TO LYTTLETON MACON YATES, SR.

● Mr. ROBB. Mr. President, I rise today to salute a member of our Senate family, and a fellow Virginian, Lyttleton Macon Yates, Sr.

Lyt Yates—of the Sergeant at Arms, Printing Graphics and Direct Mail Branch—will retire on July 25, 1999 after twenty-seven years of loyal service to the United States Senate. He started his career on May 15, 1972 as a Computer Operator with the Sergeant at Arms Computer Center, and has worked his way up the ladder to his current position as Supervisor. As a valuable member of the Computer Center team, he was instrumental in assisting with the creation of payroll forms, letterhead and other Senate forms still in use today.

Over the years, Lyt has enjoyed working with Senate staff—assisting with countless individual requests, solving problems, and seeing the job through to completion.

He is looking forward to retirement with his wife, Joanna, in Midland, Virginia. His future plans include, traveling, wood carving and spending time with his eight grandchildren.

On behalf of his Senate family, I thank Lyt Yates for nearly three decades of outstanding and dedicated service to the United States Senate—and I wish him well in the years ahead.●

BOSTON MILLS/BRANDYWINE SKI RESORT

● Mr. VOINOVICH. Mr. President, today I am pleased to recognize Boston Mills/Brandywine Ski Resort in Peninsula, OH. Boston Mills/Brandywine recently was awarded the Times Mirror Company's Silver Eagle Award for Environmental Excellence for their efforts in the area of energy conservation. In response to the local community's increasing energy demands during seasonal snowmaking operations, Boston Mills recently installed a \$1.5 million advanced snowmaking system which monitors data from a nearby pumping station, weather stations, and snowmaking machines to provide for maximum snow production at maximum power efficiency. This effort has enabled the area to produce the same amount of snow in less time, and at a savings of 962,000 kilowatt hours of electricity, which represents 69.5 percent of the community's electricity consumption. In addition, by leasing new grooming vehicles which operate

on 33 percent less fuel and reduce grooming time, the area was able to reduce diesel fuel consumption by 46.9 percent, or 9,404 gallons. I am proud to report on the positive impact that the Boston Mills/Brandywine Ski Resort has had on the local community in Peninsula and commend them for the example they have set in civic leadership on this front. I congratulate them on their award and believe the praise they have received for their efforts in environmental stewardship is well deserved.●

HONORING CALIFORNIA'S FALLEN LAW ENFORCEMENT OFFICERS

● Mrs. FEINSTEIN. Mr. President, I rise today to honor the memory of the heroic men and women of California law enforcement who have given their lives in the line of duty protecting the people of the Golden State.

This week, as part of National Police Week, the names of 35 peace officers from California are being added to the National Law Enforcement Officers Memorial here in Washington D.C. Seventeen of those officers lost their lives this past year.

We all know of the dangers faced on a daily basis by police officers, sheriff's deputies, and members of the highway patrol. Unfortunately, too many officers make the ultimate sacrifice in the course of doing their job: ensuring the safety and security of our homes, roads, and neighborhoods.

It is with the utmost respect for these fallen heroes and the loss suffered by their loved ones that I ask that their names be printed in the CONGRESSIONAL RECORD, along with the community they served. We owe these men and women a great deal. Please join me in honoring them.
